Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Online

Brief describe the provision in LMS to be used by HEI :-

We are using worlds best technology for Online Learning which is BlackBoard LMS for our students & all the Learning Material which includes : E-books, Videos, Live Lectures, Forums& Assignments are available for students & its powered by Mobile Application for an easy access to all learners.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :-

Assessment mechanism	In formative assessment, continuous evaluation of the assignment's accounts for 30% of the grades for each course. Two assignments are provided to the students for each course. The assignments are computer software generated from a question bank randomly. The questions in the assignment are of different difficulty levels with different weightages. The question bank is prepared by the subject matter experts and is periodically updated. The outcome-based learning approach through the Bloom's Taxonomy is kept in mind while developing the question bank. The students are given 3 chances to attempt the assignments and the best score is considered for grading. The answers of the students are auto evaluated, and the result is visible to the student immediately after submitting the assignment.
Identified technological interface and interoperability	We are using one of the best technologies for Online Learning which is BlackBoard. BlackBoard is used by 80% of the top Institutions around the world & its very user handy. Navigation is extremely easy.
Learner's Authentication Requirements	Learner Authentication is done through a login pages with their Registration number & its secured by password.
Learner Registration - through a web application	Registration to LMS is given by the Support Team to students to maintain compliance & the data security.
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	Learner reporting & analysis is available on BlackBoard LMS.
Payment Gateway –using Digital Payment system	Payment Gateway is available with multiple modes of payment.
Tracking the delivery of a Course or programme	All Analytics are available on BlackBoard LMS.
